TODAY AT HOPE

Please join us following the service for our annual Sunday Kickoff cookout with fun, fellowship, and games!!! Prior to the kick off please have the children meet their Sunday School teachers.

Also, those who run media or would like to please stay for the meeting directly following the service.

Office hours. Amber's office hours have changed to Monday 9:30-4:30, Wednesday 8-3, and Thursday 8-3. If you need anything pertaining to the church, please contact her during those hours or by email and she will respond at her first availability. If it's an emergency and after hours, please contact an elder or Amber's cell.

Good Morning! We want to welcome everyone and give a special welcome to our guests. If you are visiting, please fill out the visitor cards located in the pews. They can be placed in the offering plate when passed.

The leaders of the Growing Deeper ministry have heard from the Lord and decided to bring this ministry to an end. As a consistory, we will honor their wishes, but we want to specifically thank Joan Melde, Marcy Gerdes, Vonnie Erickson and Angie Kranz for their faithful leadership.

Please join the Operation Christmas Child team for a treat today after the service and before the lunch. Just a reminder that National Collection Week is Coming up! It is November 12-19th; the red/green shipping boxes will be available next week for your use!

Thank You!!

We would like to thank our church family for all the cards, calls, and prayers offered on our behalf and for the meals and various helpful items loaned to us to help us get through my recovery from surgery these last few weeks. You all have been such a blessing to us!! God bless you!!!

Prayer Requests and Updates

Please keep in prayer the struggles of life in the communities around you. Everyone has something they are struggling with. Please pray for guidance for those around you to get them through their struggles, and patience for those who do not understand. These struggles may be small or large, seen or unseen, but they are still struggling to get by.
