You are invited to a very special dinner on Sunday, Oct. 6, here at Hope. The purpose of the dinner is to raise funds to assist Vivian Baumgartner, of Belize, in completing her final year of college. Vivian's desire is to impact her nation for Christ by working in the social structures of Belize to help bring healing and strength to youth and to families. She has stewarded this educational opportunity well. We now can assist her in her final year to finish strong.
